To Whom it may concern,

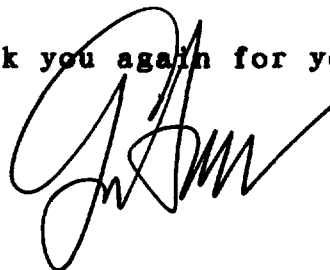

I am writing to you today in regards to Docket No. 92-90 concerning the restrictions on person-to-person solicitations of residential homes.

I would like to inform you that I am a real estate professional and a key part of the residential real estate business involves using the telephone for person-to-person solicitations.

I ask of you, the commission, not to pass any restrictions on person-to-person solicitations of residential homes, as this is very important to our everyday business practices. The telephone enables us to reach people that we otherwise could not. We provide a valuable service to them. We offer free professional advice to those in need. I also believe that this Docket No. 92-90 would contribute more hardships in an already tough market.

Thank you in advance for your time and attention to this extremely important issue.

Thank you again for your time,

SHANNON & LUCHS
